

**EXPRESS BIOTECH INTERNATIONAL
(XpressBio)**

Safety Data Sheet

For all research reagents manufactured by XpressBio with catalog number 595-417.

Effective date: May 2020

Revision A

1-Product and Company Identification

Product Name: Stop Solution
Company Name: Express Biotech International (XpressBio)
Address: 4650 Wedgewood Blvd, Suite 103
Frederick, MD 21703, USA
Phone number: (301) 228-2444
Fax number: (301) 560-6570
Emergency phone number: Contact national poison control in your state or country.
Recommended Use: For research use only. Not for diagnostic use.

2-Hazard(s) Identification

GHS Hazard Classification:
Acute toxicity, Oral (category 4)
Irritant

Signal Word:
Warning

Hazard Statements:
H302: Harmful if swallowed.
H315: Causes skin irritation.
H319: Causes serious eye irritation.

Pictogram:

Precautionary Statements:

P264: Wash hands thoroughly after handling.
P280: Wear protective gloves/protective clothing/eye protection/face protection.
P302+P352: IF ON SKIN: Wash with plenty of water.
P305+P351+P338: IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.
P332+P313: IF SKIN irritation occurs: Get medical advice/attention.
P337+P313: If eye irritation persists: Get medical advice/attention.

Other Hazards:
None

3-Composition/Information on Ingredients

Components

Chemical	Concentration	CAS Number	EC Number
Sodium Fluoride	1.25%	7681-49-4	231-667-8

**EXPRESS BIOTECH INTERNATIONAL
(XpressBio)**

Safety Data Sheet

For all research reagents manufactured by XpressBio with catalog number 595-417.

Effective date: May 2020

Revision A

4-First-Aid Measures

The following general first aid measures apply to this product:

Inhalation:

Do not breath vapor. If inhaled, move to fresh air. Seek medical attention if victim is unconscious, or if symptoms persist.

Skin contact:

Rinse with water for several minutes. Remove soaked clothing and continue to rinse. Immediate medical attention is not required. Seek medical advice if symptoms persist.

Eye contact:

Immediately flush with water for several minutes. Remove contact lenses if easy to do so. Seek medical advice if symptoms persist.

Ingestion:

If accidentally ingested, rinse mouth with water. Keep respiratory tract clear. Seek medical advice if symptoms persist.

Most important symptoms:

The most important symptoms are as described in section 2 under "Precautionary Statements."

Immediate medical attention and special treatment:

Immediate medical attention is not necessary. Seek medical advice if any exposure symptoms persist.

5-Fire-fighting measures

Extinguishing media:

Suitable extinguishing media: Carbon dioxide. Foam. Dry chemical

Unsuitable extinguishing media: No information available.

Specific hazards:

No known specific hazards.

Specific methods of firefighting:

In the event of a fire, follow standard procedure for chemical fires.

6-Accidental Release Measures

Personal precautions and protective equipment:

Ensure adequate ventilation. Use recommended Personal Protective Equipment. See section 8 for additional information.

Emergency procedures:

Use protective equipment.

 <p>EXPRESS BIOTECH INTERNATIONAL (XpressBio)</p>	<p style="text-align: center;">Safety Data Sheet</p> <p>For all research reagents manufactured by XpressBio with catalog number 595-417.</p> <hr/> <p>Effective date: May 2020 Revision A</p>
-----------------------------------------------------------------------------------------------------------------------------------------------	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Methods and materials for containment and cleanup:

Use inert absorbent material to soak up spills. Ventilate area and wash spill site after material pickup is complete.

Environmental precautions:

Collect absorbent and place into suitable containers for proper disposal in accordance with applicable waste disposal regulation. Do not flush to sewers, storm drains, surface waters, and soil.

7-Handling and Storage

Precautions for safe handling:

Use Personal Protective Equipment as required.

Conditions for safe storage, including incompatibilities:

Keep in a dry, cool, well ventilated area. Ensure containers are properly labeled.

Specific end use(s):

For research use only. Not for diagnostic use.

8-Exposure Control / Personal Protection

Occupational exposure limits:

There are no established exposure limits for this product.

Engineering controls:

Ensure adequate ventilation, especially in confined areas.

Personal Protective Equipment:

Eye and Face Protection:

Wear safety glasses with side shield, or full-face shield if eye contact is likely. The choice of protection should be based on the job activity and potential for exposure to eyes and face.

Respiratory protection:

In case of insufficient ventilation, wear appropriate respirators and components approved by government.

Hand protection:

Wear suitable chemical-resistant gloves.

Skin and body protection:

Wear appropriate clothing. The choice of skin protection should be based on the job activity and potential for exposure to the skin.

Hygiene measures:

Wash hands immediately after handling materials (especially before eating, drinking or smoking). Decontaminate or discard protective equipment after each use.

Remove personal protective equipment when leaving work area.

Safety Data Sheet

For all research reagents manufactured by XpressBio with catalog number 595-417.

Effective date: May 2020

Revision A

9-Physical and Chemical Properties

Information for physical and chemical properties –

Appearance: Liquid

Upper/lower flammability or explosive limits: No data available

Odor: No data available

Vapor pressure: No data available

Odor threshold: No data available

Vapor density: No data available

pH: No data available

Relative density: No data available

Melting point/freezing point: No data available

Solubility(ies): No data available

Initial boiling point and boiling range: No data available

Flash point: No data available

Evaporation rate: No data available

Flammability: No data available

Partition coefficient: n-octanol/water: No data available

Auto-ignition temperature: No data available

Decomposition temperature: No data available

Viscosity: No data available

10-Stability and Reactivity

Reactivity:

No known reactivity.

Chemical stability:

Stable under normal use and conditions.

Hazardous reactions:

No known hazardous reactions.

Conditions to avoid:

None known.

Incompatible materials:

Strong oxidizers.

Hazardous decomposition:

No information available.

11-Toxicological information

Information for toxicological effects:

There is currently no data available that identifies any delayed, immediate, or chronic effects of short-term or long-term exposure.

Toxicity Measurements:

No data available.

Description of symptoms:

No data available.

Carcinogenicity:

IARC: No evaluation of carcinogenicity.

	<p>Effective date: May 2020</p> <p style="text-align: right;">Revision A</p>

12-Ecological information

Toxicity:

No testing data available.

Degradability:

No testing data available.

Bioaccumulation potential:

No testing data available.

Soil and groundwater effects:

When released into soil, this material may leach into groundwater.

Other adverse effects:

No testing data available.

13-Disposal Considerations

Dispose of materials in this kit according to Federal, State and Local Requirements. Use proper technique and PPE (refer to Section 8) for disposal.

14-Transport information

Classifications for land, air, and see transport:

UN number: Not regulated.

UN shipping name: Not regulated.

Transport hazard class: Not regulated.

Packing group: Not regulated.

Environmental hazards: Not regulated.

Bulk transport in accordance with Annex II of MARPOL 73/78: Not regulated.

Special user precautions: Not regulated, no information available.

15-Regulatory Information

United States Regulatory Information

SARA 313: Not listed at it's given concentration.

16-Other Information

Recommended use:

This product is for **Research Use Only**, not for diagnostic use.

SDS Revision date: May 12th, 2020

Reason for revision: Update sections format and information.
